*The Merchant Discount Rate of 1.83% shall take effect January 1, 2015. The Merchant Discount Rate effective December 1, 2014, through December 31, 2014 shall be 1.75%.

**Visa, MasterCard, and Discover rates are based on the current interchange rate structure including all pending adjustments to signature and PIN debit transaction related to the recent Dodd-Frank Financial Reform Bill (including the Durbin Debit Interchange Amendment) that take effect on October 1, 2011. Should interchange costs change based on Federal Government and/or Federal Reserve rules and regulations, BB&T may propose pricing adjustment for the STO's approval.

***Effective January 1, 2015, Small Ticket Pricing for MIDs averaging or having the majority of the transactions less than or equal to \$15.00 per transaction will be assessed a \$0.20 transaction fee. Service fee accounts will not be subject to the surcharge. Rates and other fees will apply per schedule above. The \$.20 per transaction fee will be assessed to all transaction accounts with sales related to Parking and Food Service MID's with average transactions equal to or less than \$15 each.

****Effective June 30, 2017, any non-compliant MID is assessed \$14.95 per month per non-compliant MID. This is an additional charge to the monthly PCI SAQ fees on each MID, either \$3.00 or \$7.00 depending on the processing utilized. Merchants must be compliant within 30 days of non-compliance notification. If after this 30 day period the merchant is still non-compliant, charges for non-compliance will be assessed.

*****BB&T proposes to assume and manage the State Agency Discover MIDs in order to settle the funds within 24 hours and with the V/MC settlement dollars. Until such time we are able to do the same with American Express settlements, we will continue to assess the 0.300 basis point processing fee for American Express transactions.
